

11 December 1957

MEMORANDUM FOR: Chief, Administrative Staff/OL
THROUGH: Executive Officer/OL
SUBJECT: OL Review of Proposed Legislation

AT
1. Recently [] brought to me for discussion several proposed bills which had been forwarded to OL from the Legislative Counsel for OL comment. Inquiry was made as to the scope and focus of the comments solicited.

2. I have discussed the matter with the Legislative Counsel and we believe such problems can best be handled in the future by OL forwarding its comments on proposed legislation direct to me, through OL/Admin. I will review them and if I believe them incomplete in some respect, I will take the matter up directly with the Division. Thereafter, I will forward the OL reply to the Legislative Counsel.

3. In connection with legislation on which OL comments are requested it is also the practice to request me to provide independent OGC comments. In order to permit me to coordinate my own analysis with that requested from OL I herewith request the Legislative Counsel to instruct his staff to forward to me both the OGC and the OL copies of each bill attached to the "Notice of Pending Legislation" form. I will deliver the OL copy to the OL Registry for routing and by so doing I will be made aware of the internal OL handling and will thus be able to keep in touch with the matter. As indicated in the preceding paragraph, when OL comments have been prepared OL/Admin will forward them to me.

[]
Assistant General Counsel
